

24th February 2023

Dear Parents and Carers,

A Joint Venture Between The Royal Society For The Protection Of Birds Poole & District Members Group, Birds of Poole Harbour Education Charity And The Sound Approach.

Year 4 have been very lucky to have been allocated a place on the above educational bird boat trips that run throughout the year.

Our boat trip will take place on **Friday 10th March**. The coach company will pick us up from school at **9:00 am** and will aim to get back to school by **12.30 pm**, so normal lunchtime arrangements will apply

- Children will need to bring their usual break time drink and snack.
- The children will NOT need to wear school uniform but **very warm clothes are essential** - including gloves, a hat and scarf. We are outside on the open water for a good portion of the morning.
- There is a covered, downstairs section of the boat should it get very chilly and there is at least one toilet on board!
- The trip will take place whatever the weather and will only be cancelled due to FOG.

The focus of these trips is to educate and encourage children to get out and learn about the fantastic wildlife in their local area. The focus will be on Poole Harbour's amazing winter birdlife and they hope to show and tell the children about as many bird species as possible in a fun and engaging way.

There will be **no charges** to the school or the children.

Please complete the consent slip below and return to school by Friday 3rd March. If we do not have this consent form, your child will not be able to participate on the trip.

Kind Regards,
Mrs Westerman and Miss Preece

Year 4 Birds of Poole Harbour Trip

I consent for my child _____ in class _____ to take part in Poole Harbour boat trip on Friday 10th March 2023

I confirm that all contact details and medical details held in the school office are up to date should these be required.
