

3rd January 2023

Dear Parents/Carers,

Food Tasting - Spring Term 2023

As part of the school's curriculum, the children will taste a variety of food products during the week commencing Monday 30th January 2023. The list is as follows:

- milk chocolate
- desiccated coconut
- crushed biscuits
- marshmallows
- raisins
- sprinkles
- mint essence
- orange essence

We therefore need to be informed of any updated food allergies your child has.

We will automatically assume consent for your child and they will take part in any tastings unless otherwise informed.

Thank you for your continuing support,

Year 3 Teaching Team
