

NSPCC

Number Day

17th January 2023

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 3rd February 2023**.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that is always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap or anything with numbers on!) Or get even more creative by dressing in a maths or numbers theme.

If you would like to make a voluntary contribution then it will be gratefully received to help fund the NSPCC's Childline. Any cash donation can be given to your child's teacher or you can donate online directly via the following link [NSPCC - Donate](#)

We are really looking forward to all the fun of Number Day, and we really appreciate your support. Thank you.

Best wishes,

H Westerman
