## Read Write Inc.

Dear Parents/Guardians,

Reading is a vital tool for children and opens up many opportunities for them. Without reading you are unable to access a range of curriculum areas. As a result, we want children to enjoy reading and give children the skills required to access the books they are reading.

We are continuing to use Read Write Inc. phonics scheme to teach phonics which is working brilliantly across the school to get children reading fluently and confidently. We have completed a new assessment framework this half term to assess the children's phonics knowledge and group them accordingly. The assessment has raised the phonics expectation and therefore some children will revise and consolidate, to deepen their phonics knowledge over the next half term.

Over the next half term, your child may revisit books they have read previously, this process will secure their sound knowledge, build confidence and support them in becoming a fluent reader.

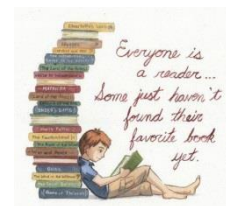

I will send out an additional letter this week to support you with ideas when reading at home.

If you have any concerns, please do not hesitate to contact your child's class teacher.

Thank you for your continued support,

Mrs. Lake

Deputy Head Teacher and Phonics Lead
