

# Accessing Google Classroom

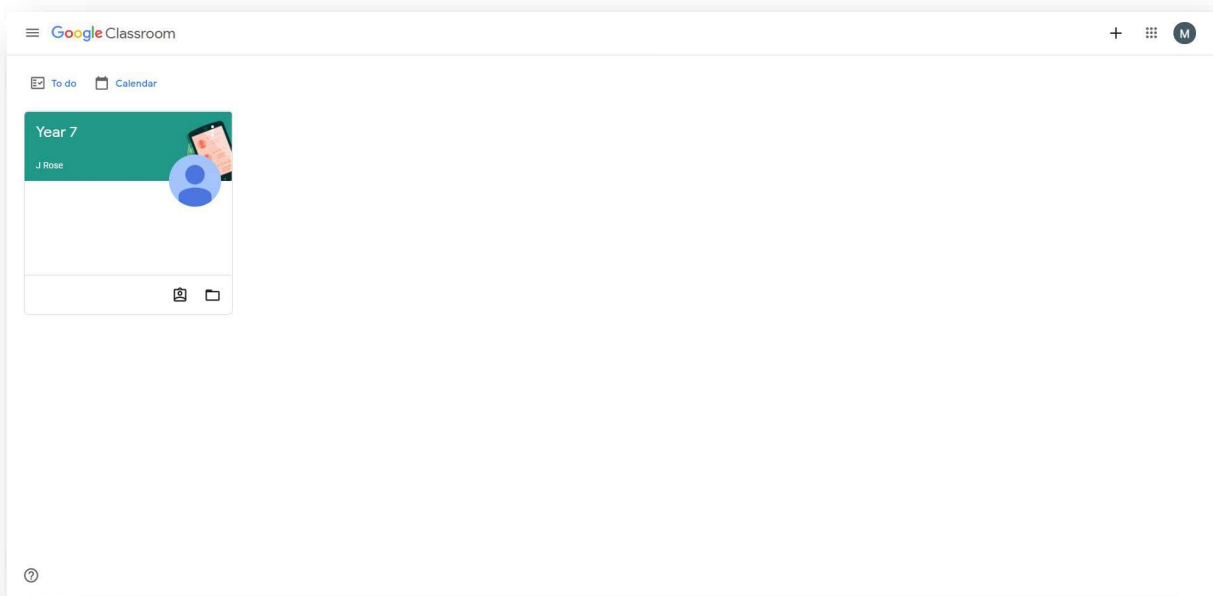

1. Open up your internet browser and go to classroom.google.com
2. Click on Go to Classroom

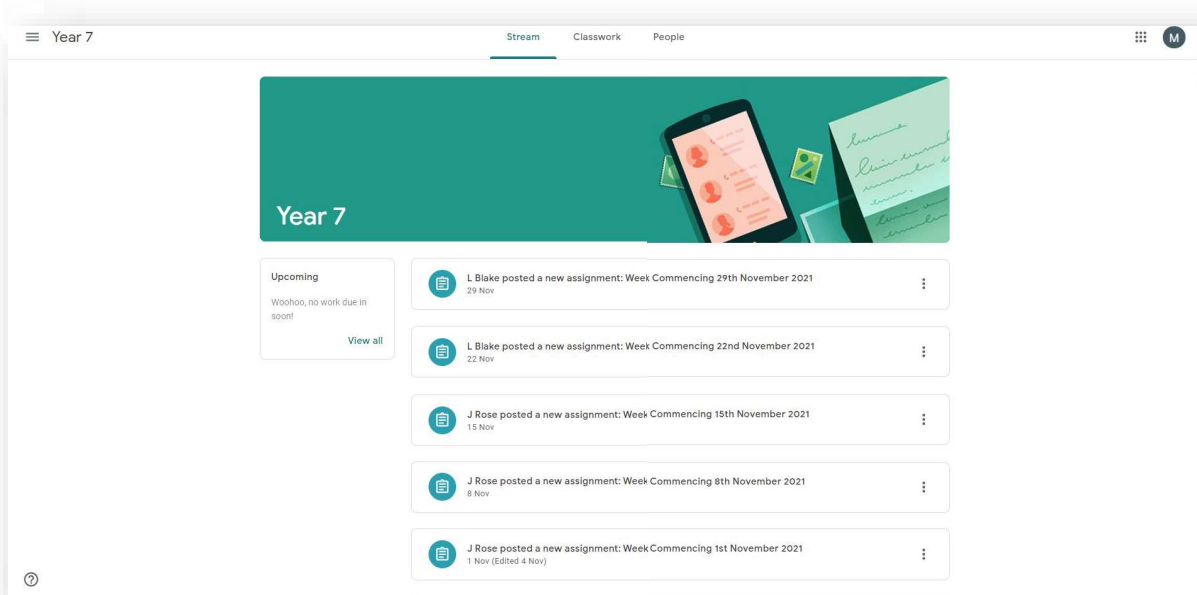

3. Sign in using your google classroom login ending in @catlive.co.uk

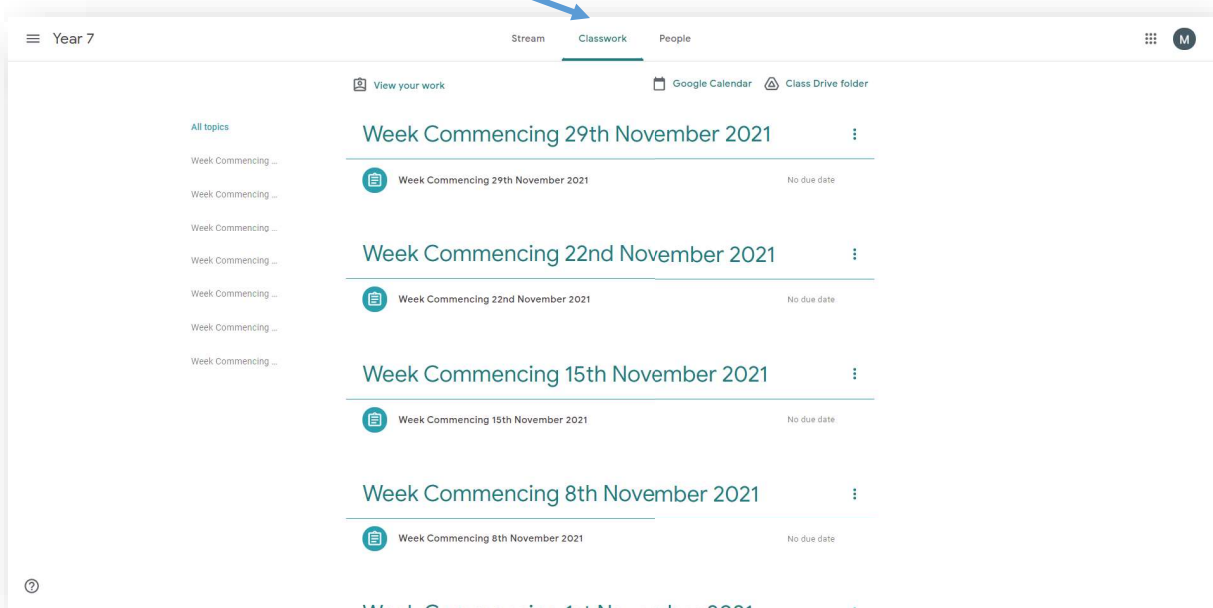

4. Click on your class. You might have a button that says 'Join'.

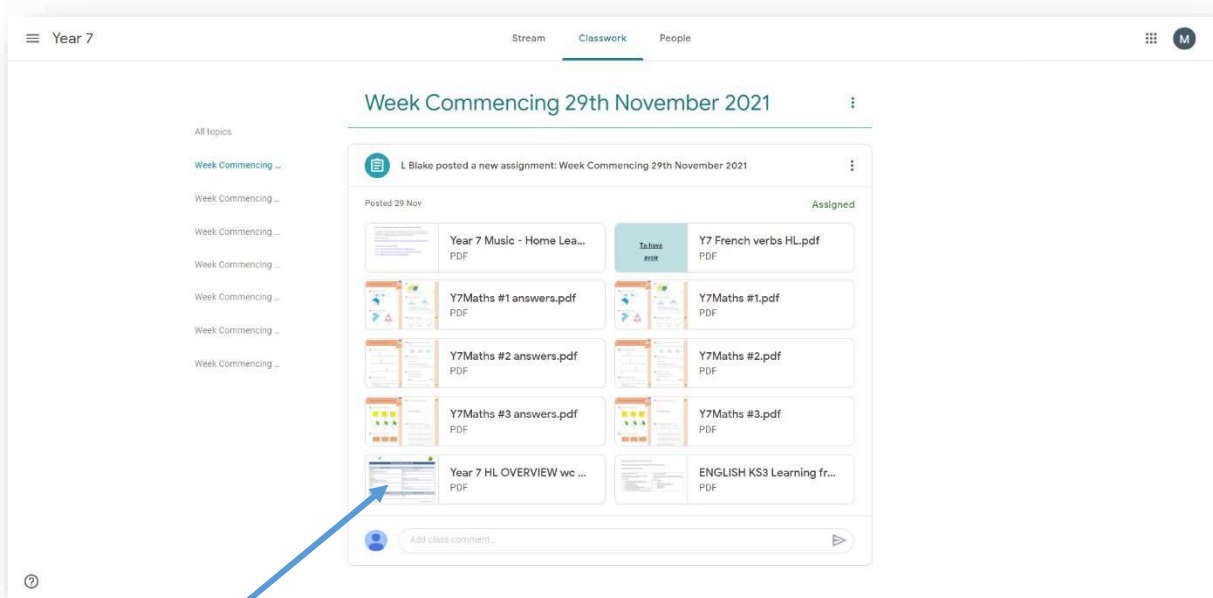

5. You will see your class 'Stream'. This is where you will see the most recent announcements from your teacher(s).

6. Click on the Classwork Tab at the top. Here you will see the work that is assigned for the current week.

7. Click on the current week to see the assignments for that week. The overview tells you what will need doing for each subject, and the other documents support this.
