

7th September 2023

Dear Parent/ Guardian

I am delighted to inform you that the final Ofsted inspection report from our two-day section 5 inspection has now been published. I have attached a copy for your information. The report will also be accessible via the school website today and published on the official Ofsted report website, eight working days from today's date.

I am delighted that Parley First School continues to be judged as a 'Good' school and that this is a reflection of all the hard work not only of the children and staff in the school but also the support and engagement we have had with you as parents.

The report recognises the strengths of the school and we are particularly proud of the relationships we have with our children and the level of care and guidance in addition to the personal qualities our children demonstrate on a daily basis.

The inspection looked at teaching and learning and how well teachers and support staff adapt the curriculum and the teaching to meet the needs of our pupils. The report also recognises the improvements that are required and we will be taking steps to address and improve further.

Please take the time to read the attached inspection report in full.

Thank you for your continued support it is much appreciated.

Yours Sincerely

John Bagwell
Headteacher
