PARLEY NEWSLETTER

AUTUMN TERM 2026 FRIDAY, 4TH SEPTEMBER

CHILDREN WITH ASTHMA OR ALLERGIES

Please remember to send your child in with their inhaler, antihistamine or EpiPen. Please send these into the school office where we will check we have the correct paperwork and if not ask you to complete this. This is in line with our medical and allergy polices.

Mrs Aiken will be in touch with the parents / carers of children with known allergies in the next few days. If your child has developed a new allergy, please let Mrs Larmer know as soon as possible so that your child can be added to our allergy list and information updated on Arbor. This is to ensure that the school is compliant with the new Benedicts Law.

Many thanks Mrs Aiken and Mrs Larmer

DIARY DATES

Thurs 10th Sept - Open Afternoon 3.15-3.45pm

Thurs 17th Sept - Reception children in full time

Mon 28th Sept - School Photographs

Mon 5th Oct - Flu Vaccinations

BELONGINGS

Pleae can we remind all parents to ensure ALL childrens belongings are clearly named so that lost items can be returned to the correct pupil. Thank you.

SCHOOL PHOTOGRAPHS

Individual and in-school sibling photographs will take place in school on Monday 28th September. Please ensure your child comes to school ready to have their photograph taken. There will also be an opportunity for children to have their picture taken with out of school siblings in the morning before school on a first come, first served basis from 8.00am.

HEADTEACHER UPDATE

Welcome back to another academic year! I hope that you have all had a lovely summer break and have managed to have some time off with the children to enjoy that incredible weather. The children have returned superbly and look so smart in their uniforms and new shoes!! We have taken these first two days to set high expectations for all of our children to ensure that the systems in school are embedded and that the children know exactly what is expected from them.

We are going to work on a very simple process... "notice it... do it!" I think we have to ensure that we have a generation that takes responsibility for the world in which we live. So from simple things like if you see a piece of rubbish on the floor. Notice it and then do it by picking it up and putting it in the bin. This applies to all of the adults in the school too. It is also about teaching children to be kind an empathetic to care for others.

We are certainly looking forward to another productive year with a range of opportunities for our children. The summer is a time to try and make further improvements to the school. With the support from Farrow and Ball we have redesigned our Reception classrooms and given them a Therapeutic makeover. With the incredible support of POPS we have also been able to refurbish the Tele Tubbie mounds with new astroturf which I hope will certainly last for a number of years.

Last year we implemented a number of changes as a result of merging to become a new academy. One of the main changes was to begin to use Arbor as our management system. Thank you for all of your support with this as I do appreciate that you also have to learn these new systems whether it be to update details or to book spaces at Peardrops.

We will continue to use the current systems this year with one addition planned linked to ordering school meals but we won't worry about that yet as plenty of work behind the scenes needs to be done first.

I am looking forward to another year in partnership with you. As always if you do have any constructive feedback then please let me know. It is a key part of how we can continue to improve and develop as a school. We value the incredible support we have from you as parents and will work as hard as we possibly can to ensure the children in this school get the best start to their educational career.

Mr Bagwell
Headteacher
