Year 3
Autumn 1

What we're learning in Music:

We will be learning how to play the notes 'G A B' on the glockenspiel so that the children can create their own 'Shining Performance'.

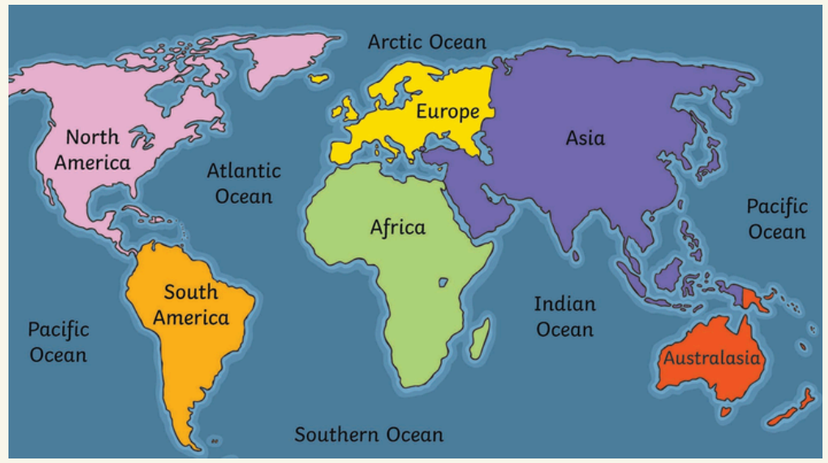

We also have singing assembly every week where we learn new songs!

Geography Key words:

- Equator
- Northern hemisphere
- Southern hemisphere
- Europe
- North America
- South America

What we're doing in Art:

- Stitching our 'Power Portraits'
- Using charcoal to create a 'moon-scape'

What we're learning about in Science:

- Recapping the parts of a plant
- Learning what a plant needs to grow
- How water is transported in plants
- Pollination
